

In the United States Court of Federal Claims

OFFICE OF SPECIAL MASTERS

No. 19-1031V

(not to be published)

BILINDA ANDERSON,

Petitioner,

v.

SECRETARY OF HEALTH AND
HUMAN SERVICES,

Respondent.

Chief Special Master Corcoran

Filed: May 31, 2023

Special Processing Unit (SPU);
Attorney's Fees and Costs

Maximillian J. Muller, Muller Brazil, LLP, Dresher, PA, for Petitioner.

Alexa Roggenkamp, U.S. Department of Justice, Washington, DC, for Respondent.

DECISION ON ATTORNEY'S FEES AND COSTS¹

On July 17, 2019, Bilinda Anderson filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleges that she suffered a shoulder injury related to vaccine administration as a result of an influenza vaccine administered on September 12, 2017. Petition, ECF No. 1. On December 29, 2022, I issued a decision awarding compensation to Petitioner based on the Respondent's proffer. ECF No. 45.

Petitioner has now filed a motion for attorney's fees and costs, requesting an award of \$19,439.02 (representing \$18,997.70 for fees and \$441.32 for costs). Petitioner's Application for Attorneys' Fees and Costs ("Motion") filed Apr. 17, 2023, ECF No. 51. In

¹ In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2018).

accordance with General Order No. 9, counsel for Petitioner represents that Petitioner incurred no out-of-pocket expenses. *Id.* at 2.

Respondent reacted to the motion on Apr. 25, 2023, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded to my discretion. Respondent's Response to Motion at 2-3, 3 n.2, ECF No. 52. Petitioner did not file a reply thereafter.

The rates requested for work performed through the end of 2022 are reasonable, and consistent with our prior determinations, and will therefore be adopted. Petitioner has also requested the hourly rate of \$425 for 2023 work performed by Maximillian Muller – representing a rate increase of \$25. Motion at 1, 9-10. I find this hourly rate to be reasonable and will award the attorney's fees requested. (And all time billed to the matter was also reasonably incurred.)

Furthermore, Petitioner has provided supporting documentation for all claimed costs, Attachment to Motion at 12-13. And Respondent offered no specific objection to the rates or amounts sought. I have reviewed the requested costs and find them to be reasonable.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). **I award a total of \$19,439.02 (representing \$18,997.70 for fees and \$441.32 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel, Maximillian Muller.**

In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this decision.³

IT IS SO ORDERED.
